

# 3DEXPERIENCE CONFERENCE

SEPTEMBER 14-15  
DARMSTADT | GERMANY

## PLENARY SESSIONS

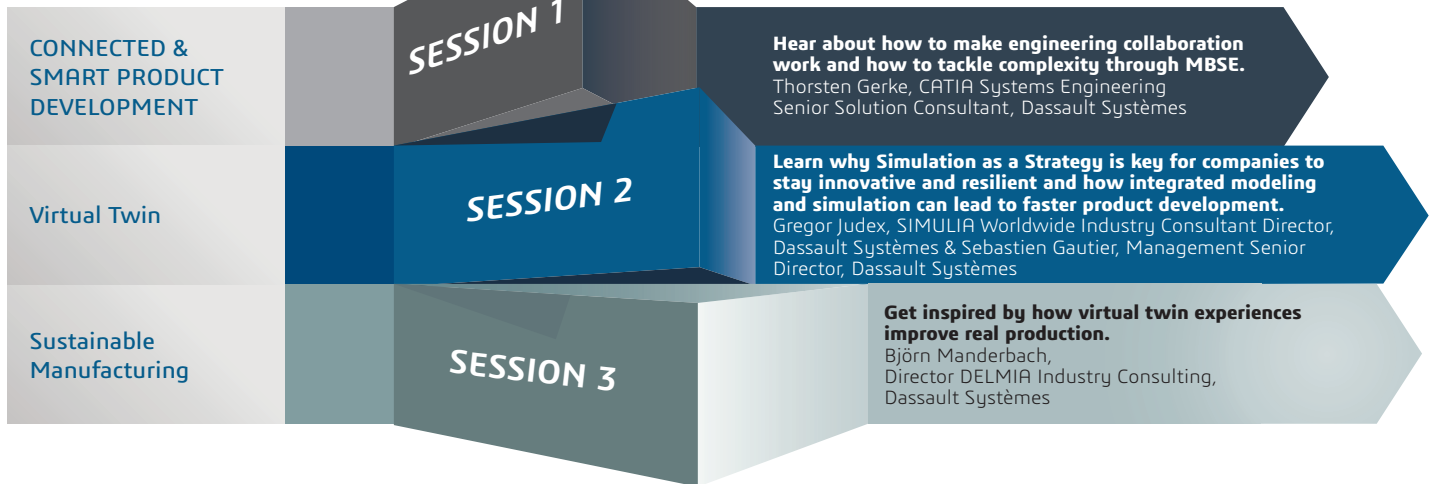

Welcome by Yasmine Blair & Dominic Kurtaz

### Opening: Sustainable Innovation Through Agility

Speaker: Dominic Kurtaz, Managing Director EuroCentral, Dassault Systèmes

Business leaders will talk about how they are accelerating Sustainability from an Environmental (ESG), Innovation and Business Process "What If" Perspective. More information to come.

## STRATEGY SESSIONS

## BREAK OUT SESSIONS DAY 1

DESIGN, SIMULATION AND MANUFACTURING	BUSINESS PLATFORM	3DEXPERIENCE OPENNESS & INTEGRATION	3DEXPERIENCE WORKS & SOLIDWORKS
<b>Integrating Functional Safety and Product Cyber Security in the 3DEXPERIENCE platform</b> Jan Gröver, CLAAS Anjuli Singh, CATIA Electrical & Systems Industry Process Consultant, Dassault Systèmes	<b>Initialize your Digitalization strategy with the 3DEXPERIENCE platform</b> Michael Lichtenthaler, Dassault Systèmes	<b>3DEXPERIENCE Integration to SAP ECC and SAP S/4HANA</b> Horst Heckhorn, Business Development Executive & Senior VP SAP Solutions, CENIT AG	<b>Worldwide Collaboration</b> Patrick Streppelhoff, DELLNER BUBENZER Germany Wind GmbH
<b>ECO-Caverns: Standardised underground spaces for a sustainable industrial development.</b> Benoît Cousin, Head of Thermal Management, Director at ECCUS	<b>NPI project management via 3DEXPERIENCE</b> Jiří Koryčan, R&D Engineer – Design Lead, Edwards Jiří Petr, Sales & Technical Manager, TechnoDat	<b>Enterprise Integration Framework powered by TECHNIA's Integration Framework</b> Martin Nölle, Director Sales & Marketing of Software Division, TECHNIA	<b>SOLIDWORKS connected to Product Data Management as a Service (PDMaaS)</b> Mike Wagner, Senior Industry Process Consultant, Dassault Systèmes
<b>Digital Continuity at Brose Fahrzeugteile SE</b> Klaus Roos, Head of Technology strategy, Brose Fahrzeugteile SE Rolf Bückner, Projektdirektor Digital Continuity, Brose Fahrzeugteile SE	<b>Develop KPIs for every user - from CxO to Contributor - to understand and navigate your Digitalization strategy with the 3DEXPERIENCE platform</b> Sebastian Kress, Dassault Systèmes	<b>CAD in the BROWSER: The NEW SOLIDWORKS Cloud</b> Nick Dzierzon, Industry Process Consultant 3DEXPERIENCE WORKS, Dassault Systèmes	

Wrap up + Highlights of the day

Evening Event (18:00 Uhr)

# 3DEXPERIENCE CONFERENCE

SEPTEMBER 14-15  
DARMSTADT | GERMANY

## BREAK OUT SESSIONS DAY 2

DESIGN, SIMULATION AND MANUFACTURING	AGILITY THROUGH CLOUD	3DEXPERIENCE OPENNESS & INTEGRATION	3DEXPERIENCE WORKS & SOLIDWORKS
<b>Multidisciplinary Simulation in the 3DEXPERIENCE platform</b> Dr. Daniel Vallicotti, Head of Simulation Services & Support, CENIT AG	<b>xApps - An easy entry in cloud-based 3D modeling</b>	<b>Cloud-Cloud-Coupling by using SCHWINDT's vierS Cloud</b> Dr.-Ing. Ralf Seidler, CEO, SCHWINDT DIGITAL GmbH	<b>From virtual Machines to Factory of the Future</b> Nick Dzierzon, Dassault Systèmes Thomas Maiti, Sales Manager, Dassault Systèmes
<b>Piping &amp; Tubing Design in 3DX @ CLAAS</b> Sven Bertelmann, System Administrator, Piping & Tubing, Part & 3D Design / Systems Design, CLAAS	<b>Accelerated simulation with SaaS</b> Andreas Seidel, SIMULIA Sales Senior Manager Dassault Systèmes	<b>PROSTEP's cloud and on-prem 3DEXPERIENCE solutions for data exchange, integration and collaboration</b> Daniel Wiegand & Dr. Mirko Theiß PROSTEP	<b>Development of innovative e-bikes with SOLIDWORKS and 3DEXPERIENCE</b> Marcus Rochlitzer, Entwicklungsleitung und Qualitätsmanagement, Möve Mobility GmbH Benk Boldt, Solidline GmbH
<b>From Systems Architecture to Electrical Design</b> Morten Huber, CATIA Industry Process Consultant, Dassault Systèmes	<b>Ready for the future with cloud-native architecture</b> Dassault Systèmes	<b>A customer project showcase: Breaking the silos with 3DEXPERIENCE Openness technology</b> Tino Schlitt, T-Systems	<b>The complete Engineering Process in 3DEXPERIENCE</b> Thomas Maiti & Mike Wagner, Dassault Systèmes
	<b>Site-independent Product Development with 3DEXPERIENCE on Cloud</b>	<b>Migration from ENOVIA SmarTeam to 3DEXPERIENCE under the usage of the xPDM adapters at Preh GmbH</b> Sebastien Chaumiole, Managing Director, Valexcon	<b>SOLIDWORKS Profi Tips in 30 Minutes</b> Jürgen Wurdinger, Industry Process Consultant Specialist for SOLIDWORKS, Dassault Systèmes

Lunch Break and Networking

## PLENARY SESSION

**Workforce of the Future - Academic Education in the Age of Digitization**  
 Michael Hoffmann, Department of Engineering, Trier University of Applied Sciences

More exciting Keynotes will come soon.

Closing by Dominic Kurtaz (15:30-16:00 Uhr)

**3DEXPERIENCE PLAYGROUND**  
will be open the entire Conference

- Listen and collaborate with a selection of highly innovative start-ups
- explore how the transformative power of virtual twin technology can accelerate your sustainable innovation, and give you the edge in manufacturing's digital revolution
- interact with the Dassault Systèmes Partner network
- meet the Workforce of the Future and check out some innovative student's projects

**Interested?**

Save your spot now, the **EARLY BIRD** discount is still available!
